Bengaluru, Karnataka

Objective

Seasoned DevOps Engineer with 3 years of experience in designing scalable and efficient enterprise-level infrastructure. Proficient in PowerShell scripting, Jenkins, GitHub, JFrog, and basic AWS and Linux environments. Basic hands-on knowledge of Terraform, Docker, and Ansible, with a strong grasp of software development lifecycle and Agile methodologies. Looking to contribute technical expertise and domain knowledge in a dynamic, growth-driven organization.

Skills

- Power Shell
- Python
- Git
- GitHub
- Jenkins
- JFrog
- Terraform (Basics)
- Ansible (Basics)
- Docker (Basics)
- Linux (Basics)

Work Experience

- **Nov 2022 – Present Accenture, Bangalore DevOps Engineer**
Designation: Packaged App Development Analyst

Achievements/Tasks

- Collaborated with team in developing the automation code using PowerShell for migrating the GitHub repositories and JFrog artifacts, ensuring codebase and dependency continuity.
- Developed and executed end-to-end automation workflows for repository and artifact migration from AIG workspace to Amazon workspace.
- Diagnosed and resolved migration-related issues, minimizing disruptions and adhering to project timelines.
- Orchestrated reliable build and release pipelines in Jenkins, contributing to continuous integration and delivery.
- Ensured precise configurations, resulting in successful Jenkins builds and timely releases.
- Enhancement of scripts to handle failure scenarios and also implemented proper logging mechanism.
- Collaborated closely with both AIG and Cognizant teams to ensure seamless integration and automation of all processes.
- Involved in the design and Implementation process.
- Analyze application functionality and code to ensure proper delivery of the user stories.
- Preparing technical documents.
- Leveraged GitHub search APIs for efficient repository migration, ensuring data accuracy in the process.
- Maintained effective communication with stakeholders, providing regular updates on progress and addressing concerns.

Certifications

- [AZ-900: Microsoft Azure Fundamentals](#)
- [DP-900: Microsoft Azure Data Fundamentals](#)

Achievements and Awards

- Received a promotion in December 2024 for outstanding performance.
- Recognized with the Sparkling Star Award for being the best performer of the month.
- Received multiple awards for consistently delivering high-quality results and exceptional performance
Recognized with Accenture Celebrates Excellence (ACE) award for the outstanding performance

Education

- College: Shri Siddhartha Institute of Technology | Tumkur, Karnataka
- University: Sri Siddhartha academy of higher education | Tumkur, Karnataka
- Degree: Master of Computer Applications | From 08/2020 to 10/2022
